I'm going all the way
Tonight's the night
I'm gonna give my love
I'm gonna treat you right
I don't want to try to understand,
My love
No matter what it takes
I'll make you mine
You're gonna give it up
You're gonna say alright
I'm gonna take you by surprise
Right between the eyes

[Chorus:]
Never should've of started
(With me boys)
Never should've of started
(With me boys)
Never should've of started
(With me boys)
(With me boys)
You never should've of started
(With me boys)
You never should've of started
(With me boys)
You never should've of started, yeah

I'm going all the way
Tonight's the night
I'm gonna give my love
I'm gonna treat you right
I don't want to try to understand,
My love
No matter what it takes
I'll make you mine
I'm gonna give you all my loving boy
I'm gonna say alright
I'm gonna take you by surprise
Right between the eyes
Oooh yeah

[Chorus]

I'm gonna take you by surprise
Right between the eyes, yeah

[Chorus]
