He'll sail on in with the summer wind  
That blows on this came day  
Everybody called him 'Pirate'  
Dark and handsome in his own way

And the fire in eyes  
Lit all the fire inside of me  
And soon you were feeling  
So much more than the wind and waves and sea

Pirate, I'm not gonna take your soul  
I only want the right to love you  
I know the sea won't let you go  
Pirate, my love will only chain ya down  
So just know how much I love you  
And then turn that ship around

Every time that he'd sail back to me  
We'd fall in love again  
And my face would fill with wonder  
At all the places that he'd been

But I knew his sweetest love song  
Was when he heard the trade winds blow  
And I loved him way too much  
To tell the secret he should know  
I told him

Pirate, I'm not gonna take your soul  
I only want the right to love you  
I know the sea won't let you go  
Pirate, my love will only chain ya down  
So just know how much I love you  
And then turn that ship around

Now as I watch in silence  
Another young man goes to sea  
And his silhouette is stirrin' up  
A painful memory

And I know his heart is set to sail  
But mine is set to cry

'Cause I feel as the way I did  
The day his daddy said goodbye  
I told him

Pirate, I'm not gonna take your soul  
I only want the right to love you  
I know the sea won't let you go  
Pirate, my love will only chain ya down  
So just know how much I love you  
And then turn that ship around

Pirate, I'm not gonna take your soul  
I only want the right to love you  
I know the sea won't let you go  
Pirate, my love will only chain ya down  
So just know how much I love you  
And then turn that ship around
