Why am I here if you're there  
So far away it's not fair  
To be without you like this  
I miss you more than you know  
The nights are long  
The days slow  
Without the warmth of your kiss  
Wish you were back here with me  
Cause out my window  
All I see is

Rain, rain in the sky  
Everywhere I look my eyes see  
Rain, rain fallin' down  
Crying as it hits the ground  
Rain, rain in my heart  
Every day that we're apart  
Rain, rain  
Falling rain, rain  
Rain, rain  
Only rain , rain

The sun is strong when you're near  
But when you're gone it disappears  
Behind an ocean of blue  
The telephone's not good enough  
It can't reach out it can't touch me  
The way you do  
Wish you would knock at my door  
Cause only you can stop this pouring

Rain, rain in the sky  
Everywhere I look my eyes see  
Rain, rain fallin down  
Crying as it hits the ground  
Rain, rain in my heart  
Every day that we're apart  
Rain, rain  
Falling rain, rain  
Rain, rain  
Only rain, rain

Maybe I'll go outside  
And walk beneath the clouds  
Pretend it's you that's watching over me  
This isn't the only thing that comes  
Between us now  
Baby soon we'll be together  
Oooo  
( everywhere I look I see the rain )  
( everywhere I look I see the rain )  
Rain  
( everywhere I look I the see rain )  
Everywhere I look I see rain  
( everywhere I look I see the rain )  
Rain  
( everywhere I look I see the rain )  
Rain  
( rain , rain in the sky )  
( everywhere I look my eyes see rain )  
Rain  
( rain falling down )  
Down  
( crying as it hits the ground )  
Dont, don't let it hit the ground  
( rain , rain in my heart everyday that were apart )  
( rain , rain )  
Rain  
( falling rain, rain )  
Rain  
( rain, rain )

Everywhere I look I see rain  
Everywhere I look I see rain  
But I don't see you  
You're not near me  
But I need you  
Rain  
It'll never be the same  
If you don't stop the rain
