REAL PEOPLE

WRITER PAUL ANKA

Real people of the world  
Hear me  
Real people of the world  
Come near me  
The time has come for us  
To do what must be done now  
The time has come for us  
Together, old and young now  
United we must stand  
United hand in hand

Real people of the world  
It's late now  
Real people of the world  
Don't wait now

Those of you who care  
Take the time to show it  
People everywhere  
Let each other know it  
Together we must try  
Together you and I

The time has come for us  
To do what must be done now  
The time has come for us  
Together, old and young now  
United we must stand  
United hand in hand
