A woman in Georgia didn't feel just right  
She had fever all day and chills at night  
Now things got worse, yes a serious bind

At times like this it takes a man with such style  
That you cannot often find  
A doctor of the heart and a doctor of the mind

If you like country with a boogie beat  
He's the man to meet  
(He's the man to meet)  
If you like the sound of 'a shufflin' feet

I said, he can't be beat  
(He can't be beat)  
Oh, if you wanna feel real nice  
Just ask the rock and roll doctor's advice

It's just a country town but patients come  
From Mobile to Moline from miles around  
Nagadoches to New Orleans  
In beat-up old cars or in limousines  
To meet the doctor of soul  
He's got his very own thing

Two degrees in be-bop, a Ph.D. in swing  
He's the master of be hop  
He's the rock 'n roll king

If you like country with a boogie beat  
He's the man to meet  
(He's the man to meet)  
If you like the sound of 'a shufflin' feet

I said, he can't be beat  
(He can't be beat)  
If you if you wanna  
If you wanna feel real nice  
Just ask the r and-r d-r's advice

(Rock 'n roll doc can make you feel so fine)  
So fine so so fine, so fine, he makes you feel so fine

(Rock n roll doc can make you feel so fine)  
Rock-n-roll rock-n-roll rock-n-roll doctor, feel fine  
Well he makes you feel so fine
