Nobody said it would be easy
Nobody gives you guarantees
'Cause a heart can always be broken
And there can be no loving without tears

Runaway to a place where nobody knows
Runaway, gotta let this feeling go
Runaway if I can't find love
I gotta runaway

Nobody's looking for perfection
How could they give it in return?
But I told my heart to believe you
And you just gave your love to anyone

Runaway to a place where nobody knows
Runaway, gotta let these feelings go
Runaway 'cause I don't want to hurt anymore
Though my heart is always searching
If I can't find love I gotta runaway

Runaway
Runaway
Runaway

If I can't find love
If I can't find love

'Cause a heart can always be broken
And there can be no loving without tears

Runaway to a place where nobody knows
Runaway, gotta let these feelings go
Runaway and I don't want to hurt anymore
Though my heart is always searching
If I can't find love I gotta runaway

Runaway, runaway
If I can't find love, I gotta runaway
Runaway, runaway
I gotta run, I gotta runaway

If I can't find love
If I can't find love
If I can't find love
If I can't find love
