Baby ain't been coming around, no
As much as he used to
If there's something going down then I better know
'Cause I don't wanna lose him

Must have something to tell me
I'm not sure I wanna know
Sooner or later that's one thing
I'll have to know

Say what's on your mind, tell me what you got
Baby, do you want me or not?
Don't be so unkind by putting me on the spot
Baby, do you want me or not?

Now I'm coming on over
Just to talk to you face to face
I may not be sober
But who is in this case

Don't you think that I got the right to
Know if your loving is true?
I don't mean to spook or excite you
What should I do?

Say what's on your mind, tell me what you got
Baby, do you want me or not?
Don't be so unkind by putting me on the spot
Baby, do you want me or not?

What's come over you
What in the world are you trying to do to me, baby?
Feel something, say something, baby
We're taking about

Say what's on your mind, tell me what you got
Baby, do you want me or not?
Don't be so unkind by putting me on the spot
(Do you want me?)
Baby, do you want me or not?

Say what's on your mind, tell me what you got

Baby, do you want me or not?
Don't be so unkind by putting me on the spot
(Do you want me?)
Baby, do you want me or not?
