Visions haunt my memory  
They hold on, hold on desperately  
You and I were over long ago  
Don't know why  
My heart was last to know  
Each time I find somebody new

Still in love with you  
I know I been lying to myself  
Baby, it's you  
You know I'll deny it  
But know it's true  
Still in love with you

Wake up, crying in the night  
These feelings I'm feeling  
Prove you right  
You told me  
No one could take your place  
No matter how I try  
I can't replace  
One thing you said  
I know it's true

CHORUS:  
Still in love with you  
I know I've been lying to myself  
Baby, it's true  
I don't want to believe it  
But what can I do  
Still in love with you

You and I were over long ago  
Don't know why  
My heart was last to know

Chorus

I know I been lying  
Lying all along  
Baby, it's you  
And I know I'll deny it

But know it's true  
Still in love with you  
I know I been lying to myself  
Baby, it's you

Chorus
