There's no where in the world
That I would rather be
Then with you, my love
And there's nothing in the world
That I would rather see
Then your smile, my love

For united we stand
Divided we fall
And if our backs should
Ever be against the wall
We'll be together
Together, you and I

For united we stand
Divided we fall
And if our backs should
Ever be against the wall
We'll be together
Together, you and I

If the world around you
Falls apart, my love
Then I still be here
And if the going gets too hard
Along the way
Just call and I'll hear

For united we stand
Divided we fall
And if our backs should
Ever be against the wall
We'll be together
Together, you and I

For united we stand
Divided we fall
And if our backs should
Ever be against the wall
We'll be together
Together, you and I

For united we stand
Divided we fall
And if our backs should
Ever be against the wall
