Wasn't it good?
Wasn't it good?

Wasn't it good
The way that I touched you late last night?
Wasn't it good again
In the morning's early light?

Did you know
When you closed that bedroom door
I betcha didn't know
Exactly what I had in store

Wasn't it good
When you felt it coming through you?
Wasn't it good
That I knew just how to do you?

Did you know
You never had it like this before?
I betcha didn't know
You'd be coming around back for more, more, more

Let's have a party
Love's pouring out of my soul
I'm your party, hearty
And let the future take control

Just remember my darling
When there's time to spare
You'll be thinking about me
And our hot affair

Saying, wasn't it good
Wasn't it good, so good

Wasn't it good
When you let your body go?
Wasn't it good
When you let the juices flow?

Did you know

You never had it like this before?
That I betcha didn't know
That they don't make 'em like me no more, more, more

Let's have a party
Love's pouring out of my soul
I'm your party, hearty
And let the future take control

So let's have a party
We'll make the best of it while we can
God you won't be sorry
'Cause I'm committed to pleasing my man, my man

Just remember my darling
When there's time to spare
I'll be thinking about you
And our hot affair

Saying, wasn't it good
Wasn't it good, so good
Wasn't it good
Wasn't it good, so good

Wasn't it good
Wasn't it good, so good

Was it was it really good
You love it didn't you lover
God I'm so, ooh, shoot
Am I good?

Did you love it, did you want it
Can you dig it, baby, baby, so good

Wasn't it good
Wasn't it good, so good
Wasn't it good
Wasn't it good, so good

Wasn't it good
Wasn't it good, so good
