WHENEVER YOU'RE NEAR

Yeah I got a reputation
Never had a single thought of settling down
As the train gonna left the station
Never shed a single tear just, said my good-byes.

But you touched me deep inside
Now I can't believe
I'm the one who's looking back
As you said good-bye to me.

Chorus:

Whenever you're near, I'm in ecstasy
Whenever you're gone, I'm in misery
Don'tcha know that you bring out the best in me
Whenever you're near.

Yeah 'cause my share of sorrow
I walked off on promises and love's passed me by
But now you've turned the tables
See you make me feel as though it's my turn to die.

There's a little girl inside
Who's lost on her way
Only you can bring me back

I know you know the words to say.

Chorus

I feel your chemistry, boy watcha do to me
I lose all control
And when the morning comes, yeah you loved and
gone
Don'tcha know I need it over and over and over and
over again.

Yeah you touched me deep inside
Now I can't say no
Dragged my heart around
I'm never gonna let you go.

Whenever you're near, I'm in ecstasy
Whenever you're gone, I'm in misery
Boy you don't understand whatcha do to me.

Chorus
