Where do you go when you're too young?
You found worlds that's just begun
Who's gonna save you're days too long?
Or right from wrong?, Who can lead you on?

Where do you go?
I don't know, ooh

Ask your mom, but right now she's mad
The night before she fought your dad
She'd help you out if she had the time
But your dad is sad and your mother's cryin'

Where do you go?
I don't know, ooh

So you're down on your knees
And you hope that helps
You just can't think of nothing else
How do you pray and what do you say?
When you know right away
God showed me the way

Where do you go?
I don't know, ooh
