You Take It All - Cher

Every place we ever knew,
Just a time we held onto.
Every space that we ever made,
Just a piece of ourselves we saved.

Every light that we ever held,
Just a fire from a dark dark spell.
Every love that we ever crave,
Just a thing to be kept and caged.

CHORUS:

Ohhhh, You Take It ALL.
Like the sea takes the land from under my feet.
Ohhh, You Take It ALL.
Like the sea takes the land from under my feet.

Every dream that we ever ride,
Just a place for our souls to hide.
Every fear that we ever chase,
Just the fear of th truth we face.

CHORUS

I made journeys through light,
I made journeys through dark,
and it's the price I paid.
But i knew from the start,
With each beat of my heart,
that you'd just blow me away.
