"Boy I trust you and all,
But I been here before you.
You remind me of pain,
But I can't ignore you.

After I met you boy,
I tried my best not to think of you.(I tried)
Such a silly game to play,
To eventually just lose to you.

Can I get another chance to hold you tonight
last time I left when things were so right
pulled you boy with all of my might
Just to let you slip away
I poured my heart out to you
From now to daylight
So you would know hurting you was never my right
I'm trying to see what's in the cards for tonight
So please except this as my plea:

I love you
I love you
I love you
Hey Hey, so don't break my heart (verse 2X)

I feel a weight lift off my chest,
now that you know just how i feel .
I held it in for far too long.
I couldn't tell if this was real.

I never thought I'd understand,
How it feels to be hurt and to love again.(oh no no)
I guess it's possible for me,
That's why I let you in.

Can I get another chance to hold you tonight
last time I left when things wereso right
Pulled you boy with all of my might
And I won't let you slip away
I poured my heart out to you
From now to daylight

So you would know hurting you was never my right
I'm trying to see what's in the cards tonight
So please except this as my plea:

I love you
I love you
I love you
Hey Hey, so don't break my heart (verse 2X)

Like stars in the sky
You brought to my life
That's why I love you
Just don't break my heart

Without you by my side
I was wasting my time
But now I love you
Just don't break my heart

I love you
I love you
I love you
Hey Hey, so don't break my heart (2X)
