I hate to tell you  
But I got a bit of bad news  
I don't love you no more

You see life is like a circle  
Everything you do  
Comes back to you

[CHORUS]  
Murphy's Law  
Sure out to get you  
Murphy's Law  
Sure out to get you

You know the car  
You missed the last payment  
The finance company came and  
Towed it away, towed it away

And the money that you  
Owe to your best friend  
You don't owe him no more

Cause the ring that you  
Bought me for my birthday  
I cashed it in at the store

[Repeat CHORUS]

You know the girl that  
You've been fooling around with  
She got married today

What happened to  
Your brand new hi-fi  
Someone took it away

[Repeat CHORUS 2x]

Murphy's Law

[Repeat CHORUS]
