Hello, how ya doin'?
Can you spend some time
To laugh in the garden?
Leave worry behind

Is it a good time to talk?
'Cause I'm all ears
And I could meet you here
I'd like to meet you here

Yes, Lord, I can hear You
And now would be fine
Sure, I'm kinda busy
But I don't really mind

If You stay for a while
I'll drink from Your cup
And You can fill it up
I know there'll be enough

What a privilege
It is to know You
To walk in Your ways
To live under grace

What a privilege it is
To know a God like You
The pleasure is all mine

When I am falling
Or already down
Your love comes a calling
And I know the sound

Like a friendly hello
You whisper my name
And I am not the same
I'm definitely changed
