I get the same dreams
Same time every night
Fall to the ground and I wake up

So I get out of bed
Put on my shoes and in my head
Thoughts that I bet
You could break up

These four walls are closing in
Look at the fix you put me in

[CHORUS]
Since you've been gone
Since you've been gone
I'm out of my head, can't take it
Could I be wrong but
Since you've been gone
You cast a spell, so break it

Do do do do...
Since you've been gone

So in the night I stand
Beneath the back street light
I read the words that you sent to me

I could take the afternoon but
The night time comes around too soon
You can't know what you mean to me

Your poison letter, your telegram
Just goes to show
You don't give a damn

[Repeat CHORUS]

Do do do do...
Since you've been gone

Since you've been gone
If you will come back, baby

Then you will never do wrong

[Repeat CHORUS]

Do do do do...
Ever since you've been gone

Ohh, out of my head

[Repeat CHORUS]

Do do do do...
Ever since you've been gone
