Now baby sit back and let me relax your mind..
No hurry baby we have all the time in the world.
Let's play our parts like we are in a movie..
Tonight it's whatever, don't be afraid to put your hands
on me.

Hook

Baby get inside my brain, make me never ever feel the
same, i don't even wanna know your name.
Just make sure you make it worth it.
Now i'm drippin sweat like rain..
So hot we could spark a flame.
So good i wanna run away..

Chorus

So baby won't you make me..
run like a felon (felon)
scream like im hurt (i'm hurt)
reach like im fallin' (fallin')
?stop? on my words. (my words)
cry like im lonely (lonely)
losin my breath.. (my Breath)
shake like im nervous (nervous)
gaspin for air.
we gon bump like some speakers..x8

2nd Verse

ok, we're gettin ready for another round, so impaitent

Let me know when you are ready to go down..
Oh! what you do to me, i swear i feel like im dreamin'
