Oh my gosh it, it is too late  
He mixed the ingredient chemical x  
Want to know what will be the effect  
Is it dangerous, or fabulous?  
Here they come theyâ€™re coming through  
Itâ€™s Blossom and Bubbles, and Buttercup too  
Here to come to conquer the world  
Beware of the Powerpuff Girls

Theyâ€™re coming through and fighting  
And everyone theyâ€™re shocking  
You know no one can stop them  
All because of the chemical x  
x2

Whoa now, now that you see  
You should beware of the power of the three  
They come to fight as fast as they can  
Theyâ€™re dangerous, yet fabulous  
Professor Utonium made them its true  
They are the colors of pink, green and blue  
Theyâ€™ll catch you in a blink of an eye  
And do all before bed time

Theyâ€™re coming through and fighting  
And everyone theyâ€™re shocking  
You know no one can stop them  
All because of the chemical x

Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh

Rap  
Cherish and Powerpuff, two of a kind  
Both want to save the world before bedtime  
From Townsville, Memphis, New York, to L.A.  
The Powerpuff girls are just here to stay

Theyâ€™re coming through and fighting  
And everyone theyâ€™re shocking  
You know no one can stop them  
All because of the chemical x  
x3
