No more of these words
(Baby, I'm sorry, won't you just come back to me,
baby?)
I can't deal with your lies
(I didn't cheat baby, she just kissed me)
I look right down when I continue to let you back in
So don't get pissed off when you see me with another
man

'Cause I ain't no fool for you no more
I ain't no fool for you no more
I ain't no fool for you no more
I ain't no fool for you no more

I found all of these things
(Love letters, receipts of jewelry I've never seen)
So now I am taking
(I'm taking my love, my respect and my dignity)
Remember the night that I've spent all alone
(You remember that? 'Cause I do)
When you were out with your new chick, I was home,
see I

I ain't no fool for you no more
I ain't no fool for you no more
I ain't no fool for you no more
I ain't no fool for you no more

Now I'm through with you, done with you
So damn fed up with you, over you, I can't believe that I
fell for you
There's no words you can say to get me to stay
It's over and done I'm leaving you

'Cause I won't be no fool for you no more
Won't be no fool for you no more
I ain't no fool for you no more
I ain't no fool for you no more
