See Iâ€™m talking but youâ€™re not listening
feels like weâ€™re losing ground
and I think I just need my distance
or really gonna lose my mind
I donâ€™t really wanna talk no more,
tell me what do you take me for,
you donâ€™t even wanna take no more,
I just canâ€™t take no more.

Pre Chorus:

Can the DJ keep drown the sound?
Can we keep this shots going round round round?
Can we turn the music up real loud?
Can you give me something to just drown me out?
â€™Cause I canâ€™t figure it out.

Chorus:

And a lot we try â€¦ in circles
itâ€™s like we canâ€™t keep up,
keep on running circles
tryin to..inside every word, every word
or dimension weâ€™re at flightiest bird, flightiest bird.
Uhh, how can we fly?
Uhh, how can we fly?
Uhh, how can we fly?
Uhh, how can we fly?

I donâ€™t know the stranger this laid in my bed
and not conversations keep repeat it
I hope these lights and these flashes can keep out of
my head
â€™cause just for tonight I just donâ€™t need, need it.

Pre Chorus:

Can the DJ keep drown the sound?
Can we keep this shots going round round round?
Can we turn the music up real loud?
Can you give me something to just drown me out?
â€™Cause I canâ€™t figure it out.

Chorus:

And a lot we try â€¦ in circles

it's like we can't keep up,
keep on running circles
tryin to..inside every word, every word
or dimension we're the flightiest bird, flightiest bird.
Uhh, how can we fly?
Uhh, how can we fly?
Uhh, how can we fly?
Uhh, how can we fly?

I thought that we had, I thought that you
You put me down, you put me down
I know you'll never change
you keep going down, round and round in circles
