They be lovin what I do

Shortie what I got stay sweeter than some fruit loops

They wanna holla but I make em shy (make em shy)
They be lovin what I do cause I keep em with a sweet

Shortie what I got stay sweeter than some fruit loops

See me on the block (yup)
Yup they call me candy lady
If you really want it, want it come and get it baby
He tryna push up on it
He swear he a player
Can't be actin all stank or I'll holla later

They should think body like
Make them boys jaws drop
Air honey flip flops
Makin all the boys stop
You can hear the bass drop
Keep em in the parkin lot
Lips stay cherried up
Like them boys chevied up

I keep it fresh (keep it fresh)
I keep it fly (keep it fly)

Make em look everytime we walk by (walk by)
They be lovin what I do
Cause I keep em with a sweet tooth
Shortie what I got stay sweeter than some fruit loops
