[Verse 1]

I know most times i'm far away
But still, I'm missing you
(but still, I'm missing you)
I've said some things that I regret
But I'll make it up to you
Baby I can't breathe when you touch
My body
When your heart beats it's like music to me
And I can't see my life with out you
And Baby it's all up to you

[Chorus]

If I could make time stand still
Then I know we can live this moment for ever
Can we stay right here, you don't have to go baby close
that door
I really hate missing you
I rather be kissing you
Don't know what I would
Do, If I couldn't make love to you
Over and Over and Over I wish that I
Could live this moment in time

[Verse 2]

As of today I put my life completely in your arms
And if you should feel I can do more to please you
Then baby tell me how oh oh
Baby I can't breathe when you touch my body
When your heart beats it's like music to me
And I can't see my life with out you
Baby it's all up to you (oohoooh)

[Chorus]

If I could make time stand still(oh oh ohh)
Then I know we can live this moment for ever (Forever)
Can we stay right here (stay right here), you don't have
to go baby close that door
I really hate missing you (missing you)
I rather be kissing you (kissing you)
And I don't know what I would
Do, If I couldn't make love to you

Over and Over and Over I wish that I
Could live this moment in time

Time stand still (Make Time stand still)
Then I know we can live this moment for ever (we can
live this moment for ever)
Can we stay right here (stay right here)
You don't have to go (Oh you don't have to go) baby
close that door (close the door)
I really hate missing you (yeah yeah yeah)
I rather be kissing you
don't know what I would
Do, If I couldn't make love to you
Over and Over and Over I wish that I
Could live this moment in time
