[Verse 1:]

He lives on the 5th floor.  
I'm on the 1st floor.  
Whenever he comes down he hops in his 6'4.  
K-Ci and JoJo flows out of his window.  
And I can tell by what he drives he's a fly guy.  
In my mind he pulls off slow.  
I'm watching him.  
On cloud 1226.  
Cause I'm in 1226.  
I watch him as he comes home.  
And wonder why he's alone.  
And If he only knew about the girl on level 1.

[Chorus:]

I think I'll write him a notice, a notice.  
So he can notice that I'm trying to get his attention.  
If I write you a notice, a notice can you come on over?  
And we get more better acquainted.  
I think I'll write him a notice, a notice.  
So he can notice that I'm trying to get his attention.  
And if I write you a notice, a notice can you come on over?  
And p.s. don't forget my extension.

[Verse 2:]

I'm getting impatient.  
And my time is wasting.  
Should I make the first move before he's taken?  
Or maybe he's taken.  
Oh, I can't take it.  
I just gotta know about the guy on the 5th floor.  
And I don't know what to do.  
I'm lost in my lust for you.  
We never met, it's true.  
But I feel like I know you.  
Can I get through?  
Can I make you feel the same way about me as I do,  
bay?

[Chorus:]

I think I'll write him a notice, a notice.

So he can notice that I'm trying to get his attention.  
(Tryna get your attention, yeah)  
If I write you a notice, a notice can you come on over?  
And we get more better acquainted. (We can get more  
acquainted baby)

I think I'll write him a notice, a notice.  
So he can notice that I'm trying to get his attention. (Oh,  
I'm trying, I'm trying)  
And if I write you a notice, a notice can you come on  
over? (I think I'll write you)  
And p.s. don't forget my extension. (A notice)

[Bridge:]  
I think I notice everything just by watching you.  
(Watching you)  
Judging by your car, I think your favorite color's blue.  
(Color's blue)  
Same routine everyday.  
You hit the gym at 2:00. (Gym at 2:00)  
I think you'll feel the same once we're properly  
introduced. (Introduced)  
It's this face you make everytime something's wrong.  
(Something's wrong)  
Before you go to bed you take two shots of Patron.  
(Yeah, yeah, yeah)  
Everynight you fall asleep with the T.V. on. (Ohhh)  
I don't know why you're alone.

[Chorus:]  
I think I'll write him a notice, a notice.  
So he can notice that I'm trying to get his attention.  
If I write you a notice, a notice can you come on over?  
And we get more better acquainted.  
I think I'll write him a notice, a notice.  
So he can notice that I'm trying to get his attention.  
And if I write you a notice, a notice can you come on  
over?  
And p.s. don't forget my extension.

[Chorus:]  
I think I'll write him a notice, a notice.  
So he can notice that I'm trying to get his attention.  
If I write you a notice, a notice can you come on over?  
And we get more better acquainted.
