*[Verse 1]*

Looking at my watch its almost two.  
Called me and said to get ready.  
You comin' through.  
Want your girl to spend a little time wit you.  
Boy you must be buggin', cause now you got me  
rushin'.  
You roll up in my drive way.  
You beeped twice, got me lookin' at you sideways.  
You lookin' right.  
But you actin' kinda funny.  
What's on you mind.  
Damn, I left my wallet at the house.

*[Chorus]*

Ooh, ooh I been thinking about all the things that we  
could do.  
But I don't know if I could get down wit you.  
It's got me contemplating.  
I don't think I'm ready.  
I don't think I'm ready baby.  
I don't think I'm ready baby.  
Ooh, ooh I been thinking about all the things that we  
could do.  
But I don't know if I could get down wit you.  
It's got me contemplating.  
I don't think I'm ready.  
I don't think I'm ready baby.  
I don't think I'm ready baby.

*[Verse 2]*

We pulled up to your crib and you walked in.  
Said you'd only be a minute but its been 10.  
Your motioning for me to come on in.  
You done lit the candles.  
Expecting red light special.  
I know just what you're thinking.  
You wantin' me.  
But I'm two seconds from telling you I wanna leave.  
You put your arms around my, my body.  
And I don't know what to do.  
Baby now I want you too.

*[Chorus]*

*[Bridge]*

Break down. It's a catch 22.  
Will I stay or will I go.  
Cause your kissin' on me.  
And I don't know what to do.  
My body saying yes, but my mind is sayng no.  
Ooh ooh ooh.  
What I'm gon' do do do.  
About you you you.  
I'm so confused, fused.  
Ooooh.

*[Chorus]*

What I'm gon' do do do.  
About you you you.  
I'm so confused, fused.  
Ooooh.
