All the fellas
Wanna tell ya
We comin' through
And anything you can do
We can do too
We wanna let ya'll know
We ain't gonna stop
And that we're here
We're headed for the top

Haven't you heard
New time
New day
And age
New place
What you say
It don't mean a thing
'Cause we're comin'
And we funk
And ya know we won't stop
We're females
And we're hot
And takin' the number-one spot

And some guys seem to think that they are so clever
We can do what they cannot better
We're ladies and we're here to stay
On ya forever
But ya don't wanna hear us when we say

CHORUS:

Yes, I'm a girl
But that don't mean
That I will not succeed
So go ahead and hate on me
But I'm just where you wanna be
Yes, I'm a girl
But that don't mean
That I will not succeed
So go ahead and hate on me
But I'm just where you wanna be
I've got the power of the female

And if you only knew
The things we go through
You will see too
I work just as hard as you do
But believe
I can achieve anything I put my mind to

It's a new day
And age
New place
What you say
It don't mean a thing
'Cause we're comin'
And we funk
And ya know we won't stop
We're females
And we're hot
And takin' the number-one spot

And some guys think that they are so clever
We can do what they cannot better
We're ladies and we're here to stay
On ya forever
But ya don't wanna hear us when we say

REPEAT CHORUS

Females...
Once we hit the top
We won't stop

All my ladies got the what?
Power of the female!
And once we hit the top?
Ain't gonna stop that!
Cherish got the what?
Power of the female!
Ooh...female!

REPEAT CHORUS X 3
