Don't have to take my hair out of my ponytail  
Don't have to change my style or come out the clothes I  
wear  
Because of you I'm able to get through the stormy  
weather  
You know the words to say just to make my day go  
better

Anything that I do, I know I'll always be beautiful to you  
Thought I had all the senses but you gave me touch  
Without you I wouldn't know love

I know when I come home I'm a superstar  
Even if no were records sold, I'm a superstar  
No matter the time, I know always through your eyes I  
remain a superstar

No need to put on makeup just cause you came around  
Don't have to hide my tears from you whenever I feel  
down  
No one else makes me feel the way you do, you're so  
good to me  
And I'm still alive and I know that that's because of my  
baby

Anything that I do, I know I'll always be beautiful to you  
Thought I had all the senses but you gave me touch  
Without you I wouldn't know love

I know when I come home I'm a superstar  
Even if no were records sold, I'm a superstar  
No matter the time, I know always through your eyes I  
remain a superstar

I'll give my heart, my soul, my all to you and I promise  
to never leave you  
I'll give all my love to you and promise to stand by you  
forever and ever

Anything that I do, I know I'll always be beautiful to you  
Thought I had all the senses but you gave me touch

Without you I wouldn't know love

I know when I come home I'm a superstar  
Even if no were records sold, I'm a superstar  
No matter the time, I know always through your eyes I  
remain a superstar

I know when I come home I'm a superstar  
Even if no were records sold, I'm a superstar  
No matter the time, I know always through your eyes I  
remain a superstar
