I don't have to take my hair out of my ponytail  
Don't have to change my style up or come out the  
clothes I wear  
Because of you I'm able to get through the stormy  
weather  
You know the words to say just to make my day go  
better

Anything that I do  
I know I'll always be beautiful to you  
Thought I had all my senses but you gave me touch  
Without you I wouldn't know love

I know when I come home I'm your superstar  
Even if no records were sold I'm your superstar  
No matter the time I know always through your eyes  
I'll remain a superstar

No need to put on make up just cause you came  
around  
Don't have to hide my tears from you whenever I feel  
down  
No one else makes me feel the way you do you're so  
good to me  
And I'm still alive and I know that that's because of my  
baby

Anything that I do  
I know I'll always be beautiful to you  
Thought I had all my senses but you gave me touch  
Without you I wouldn't know love

I know when I come home I'm your superstar  
Even if no records were sold I'm your superstar  
No matter the time I know always through your eyes  
I'll remain a superstar

I'll give my heart, I give my heart, my soul, my all to you  
And I promise to never leave you  
I'll give all my love to you  
And promise to stand by you forever and ever

Anything that I do  
I know I'll always be beautiful to you  
Thought I had all my senses but you gave me touch  
Without you I wouldn't know love

I know when I come home I'm your superstar  
Even if no records were sold I'm your superstar  
No matter the time I know always through your eyes  
I'll remain a superstar

I know when I come home I'm your superstar  
Even if no records were sold I'm your superstar  
No matter the time I know always through your eyes  
I'll remain a superstar
