[Chorus:]

I'm feeling really unappreciated.
You're takin' my love for granted, babe.
I don't know how much more,
I can take from you.
You don't do the things you use to do.
You don't even say I love you too.
And lately I've been feeling,
Feeling unappreciated.

[Verse 1:]

Woke up this morning and saw your face
And you didn't look the same as yesterday.
I got the feeling that you can't seem to see,
Where you want to be.
And lately it ain't been the same at all.
When you're here it's like I'm invisible
I still can't seem to see where I went wrong.
'Cause I'm feeling

[Chorus:]

I'm feeling really unappreciated.
You're takin' my love for granted, babe.
I don't know how much more,
I can take from you.
You don't do the things you use to do.
You don't even say I love you too.
And lately I've been feeling,
Feeling unappreciated.

[Verse 2:]

Lately our house is not a home
You come in, take a shower, then say I'm gone.
What am I to do
When my heart says leave
But my feet won't move
And today is our anniversary
And you haven't even said two words to me

I'm trying hard to give you another chance
But ooh baby I'm feeling

[Chorus:]

I'm feeling really unappreciated.
You're takin' my love for granted, babe.
I don't know how much more,
I can take from you.
You don't do the things you use to do.
You don't even say I love you too.
And lately I've been feeling,
Feeling unappreciated.

[Bridge]

Boy when I very first met you
I thought you was the most perfect man
That I ever seen
And I still don't understand why
You treat me like you do
I use to give into your lies
But now I see the truth
Oh no I don't want to hear it I'm through
Yeah I know I'll still be missing you
But it's not worth the pain
That I've came from you
You made me feel
Unappreciated

[Chorus:]

I'm feeling really unappreciated.
You're takin' my love for granted, babe.
I don't know how much more,
I can take from you.
You don't do the things you use to do.
You don't even say I love you too.
And lately I've been feeling,
Feeling unappreciated.

Don't love me no more
Heeeeeeeeeey whooooo
I'm really feeling
Unappreciated
OOOOOOOOOOO
I'm feeling unappreciated
