[Verse 1]

We were sittin at the table
We were talkin bout some thangs
Conversatin what's been goin on lately
He moved in a little further
Said baby come a little closer
There is somethin that I want you to know
And then he said

[Chorus]

Whenever you wanna get down
I'll be around
Cause I'm in no hurry
Again he said
Whenever you're feelin the mood to let me love you
I'll be here for you

Huh huh uh huh huh huh uh huh huh huh uh huh huh
huh uh huh uh huh

[Verse 2]

I put my hair behind my ear
Thinkin if what I heard was clear
Turnt my head thinkin bout what I should say
Then he said before you speak
You're the only one for me
Baby I'm here for you whenever you're ready

[Hook]

All while he speaks thoughts start to creep
I start to think about the things
In time that we could do
And then he said

[Chorus]

Whenever you wanna get down
I'll be around
Cause I'm in no hurry
And then he said
Whenever you're feelin the mood to let me love you
I'll be here for you

Huh huh uh huh huh huh uh huh huh huh uh huh huh
huh uh huh uh huh

[Bridge]

Whenever the time
Whenever the place
Baby just call or hit me on my two way
Baby I'm down for whatever you say
It's all for you
And then he said

[Chorus]

Whenever you wanna get down
I'll be around
Cause I'm in no hurry
Whenever you're feelin the mood to let me love you
I'll be here for you
And then he said

Whenever you wanna get down
I'll be around
Cause I'm in no hurry
Whenever you're feelin the mood to let me love you
I'll be here for you
