I met a guy at the club  
I let him know I'm in love

I met a girl at the bar  
I let her know who you are

I told her you are a love of my life and  
One day you gonna be my wife and  
We are gonna have some babies together

I told him you are a man of my dreams  
You saved me from drowning in the streams  
I know we're really gonna last forever and ever

It was those, 3 words that saved my life  
It wasn't complicated  
Wasn't pre-meditated  
It wasn't under-rated  
Boy I'm so glad you stayed and  
It was those 3 words saved my life  
It wasn't complicated  
Wasn't pre-meditated  
To you I'm dedicated  
Let's go ahead and say it oh yeah

I love you  
You are the love of my life my life  
I love you

You are the love of my life my life

You know you're holdin my heart  
Can't nothin' tear us apart

You know I'm so in love with you  
Can't nothin' tear us apart no

I said I L-O-V-E Y-O-U  
I'm so into you girl  
She said M-E T-O-O  
It's obvious I'm so into you boy  
So why don't we ( we ) hold ( hold ) on ( on ) for ( to )

love  
Through the ups and downs never let go  
Holdin' on forever never let go  
It all started with 3 words, saved my life  
It wasn't complicated  
It wasn't complicated  
It wasn't complicated  
It wasn't complicated  
Baby those 3 words saved my life oh yeah

I love you "I love you  
You are the love of my life my life  
I love you "I love you  
You are the love of my life my life
