You know it turns me on,
When the beat starts steady dancing
The way it calls to me
I can almost feel its rage
Takes me to a place where I unleash my demons
A sexy temp is looking to get loud

I'm gonna shake my money maker
Dj make me go
Dum dum dum, dum dum dum
Dum dum dum, dum dum dum
Hit me with the remix,
I'm bout to turn them out
Dum dum dum, dum dum dum
Dum dum dum, dum dum dum

Bass in my face, put the bass in my face
Put the bass in my face
Put the bass in my face
Put the bass in my face
Bass in my face, bass in my face
Put the bass in my face
Put the bass in my face
Dum dum dum, dum dum dum
Turn it up, turn it up, turn it up
Dum dum dum, dum dum dum
Turn it up, turn it up, turn it up

Let me take the wheel
I'll be your designated driver
Keep your heart racing like a machine
Dum dum dum, dum dum dum
If you want that realâ€¦ pouring like a â€¦ 6
I can keep you busy like a bee

I'm gonna shake my money maker
Dj make me go
Dum dum dum, dum dum dum
Dum dum dum, dum dum dum
Hit me with the remix,
I'm bout to turn them out

Dum dum dum, dum dum dum
Dum dum dum, dum dum dum

Bass in my face, put the bass in my face
Put the bass in my face
Put the bass in my face
Put the bass in my face
Bass in my face, bass in my face
Put the bass in my face
Put the bass in my face
Damn, hold up, where am I?
What you planning to do with that
Are you gonan point that at me?
Go and point that

Bass in my face, put the bass in my face
Put the bass in my face
Put the bass in my face
Put the bass in my face
Bass in my face, sass in my face
Put the bass in my face
Put the bass in my face X 2

Dum dum dum, dum dum dum
Turn it up, turn it up, turn it up
Dum dum dum, dum dum dum
Turn it up, turn it up, turn it up.
