Too much of anything can make you sick  
Even the good can be a curse  
Makes it hard to know which road to go down  
Knowing too much can get you hurt  
Is it better  
Is it worse  
Are we sitting in reverse  
It's just like we're going backwards  
I know where I want this to go  
Driving fast but lets go slow  
What I don't want to do is crash, no

Just know that you're not in this thing alone  
There's always a place in me that you can call home  
Whenever you feel like we're growing apart  
Lets just go back, back, back, back, back to the start

Anything that's worth having  
Sure enough worth fighting for  
Quittings out of the question  
When it gets tough gotta fight somemore  
We gotta fight, fight, fight, fight, fight for this love  
We gotta fight, fight, fight, fight, fight for this love  
We gotta fight, fight, fight, fight, fight for this love  
If it's worth having it's worth fighting for

Now everyday ain't gonna be no picnic  
Love ain't no walk in the park  
All you can do is make the best of it now  
Can't be afraid of the dark

Just know that you're not in this thing alone  
There's always a place in me that you can call home  
Whenever you feel like we're growing apart  
Lets just go back, back, back, back, back to the start  
Anything that's worth having  
Sure enough worth fighting for  
Quittings out of the question  
When it gets tough gotta fight somemore  
We gotta fight, fight, fight, fight, fight for this love  
We gotta fight, fight, fight, fight, fight for this love  
We gotta fight, fight, fight, fight, fight for this love

If it's worth having it's worth fighting for

I don't know where we're heading  
I'm willing and ready to go  
We've been driving so fast  
We just need to slow down and just roll

Anything that's worth having  
Sure enough worth fighting for  
Quittings out of the question  
When it gets tough gotta fight somemore  
We gotta fight, fight, fight, fight, fight for this love  
We gotta fight, fight, fight, fight, fight for this love  
We gotta fight, fight, fight, fight, fight for this love  
If it's worth having it's worth fighting for

Anything that's worth having  
Sure enough worth fighting for  
Quittings out of the question  
When it gets tough gotta fight somemore  
We gotta fight, fight, fight, fight, fight for this love  
We gotta fight, fight, fight, fight, fight for this love  
We gotta fight, fight, fight, fight, fight for this love  
If it's worth having it's worth fighting for
