Baby your the one  
like flowers in the sun  
we can only grow  
and whatever occurs  
speaking through the worst  
I want you to know  
That i wont hold you up  
I'll never let you down  
I'll always be around  
cause baby your my man  
I'm your biggest fan  
whatever i can do for you  
I will do and i mean in every way  
and i vow to be more than i am able to say  
hey hey  
i'll hold onnnnn(hold on, Hold on)  
for youuuuu  
I will riiiideeee to the fiiiireeee for you  
oohhoooh  
high as we can get low as we can go  
i'll be holding on  
let the people talk  
we can walk the walk  
never going wrong  
cause boy i got your back no matter how you act  
no matter what you do  
the loyalty you need  
you can take the lead  
I will be holding on for you  
will do and i mean in every way  
get so high when the clouds come i'll push them away  
heeeey  
i'll hold onnnnn(hold on, Hold on)  
for youuuuu  
I will riiiideeee to the fiiiireeee for you  
oohhoooh you  
hold on tight  
i will be your guide  
you lose your smile  
i'll give you mine  
and we'll shine  
through

your mine oooh  
baby hold tight  
we'll be alright  
be by my side  
ahoha  
i'll be your size  
youll be my guy  
with you for life  
ahoha  
body and soul  
love is my goal  
keeping me ...  
baby hold tight  
we'll be alright  
be by my side  
ahoha  
'll be your size  
youll be my guy  
with you for life  
ahoha  
body and soul  
love is my goal  
keeping me ...
