Sometimes I just wanna be on my own
Sometimes I just wanna be alone
At times I only need the radio on (just the radio)
But guess who's on the radio now?
They got me pumpin' on the radio
Turn off the stereo

I wanna live tonight
I wanna feel alive
Lets fall in love tonight
And leave this world behind

Deedum dum dum dee dididum hey

You some kind of beautiful thing
Right now, I really want you
Some how lost in the night
I found myself come undone
In the instant I decided you're the one
And with the halo there are above your head

I'm safe in your arms

I wanna live tonight
I wanna feel alive
Lets fall in love tonight
And leave this world behind

Deedum dum dum dee dididum dee
Uuuuh uuuuh uuh
Deedum dum dum
Uuuuh uh uh uuh
Ba deedum dum
Uuuuh uh uh uuh
Ba deedum dum
Uuuuh uuuh uuh
Da dideedum dum

I wanna live tonight
I wanna feel alive
Lets fall in love tonight
And leave this world behind

Deedum dum dum dee dididum day
Deedum dum dum dee dididum day
