

Stop trying cause I'm die die dying
(Die, die)

It's gotta stop we argue a lot, no matter what we do
Be careful what you're saying, because am trying to
stay with you

So let's make a future plan, cause this ain't the way of
living boy
I know that I hurt you bad, boy I know that I hurt you bad

Baby it's time to face it, to know that you want this too
And if you want to save this, then we both know what
you can do
Ain't no point in looking back, and I know that I love you
mad
So quite how you act don't turn your back
Think about what we have

If you're trying to hurt me, like I hurt you
Then you win and
If you're trying to love me, like I love you
Then we win and
If you're trying to finish what we started
Then we'll lose the love
And I don't wanna lose ya
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry
Stop trying cause I'm die die dying
(Die, die)

Die die dying
Die die dying
Die die dying
Die die dying
Die die dying
Die die dying
Dying, dying, dying
Are you try
Are you try
Are you try
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry
Are you trying to make me cry

Are you trying to make me cry
Stop trying cause I'm crying
