"Make You Go"

I make ya I make ya I make I make ya I make ya (oh!)

I make ya I make ya I make I make ya I make ya (oh
oh!)

I make ya I make ya I make I make ya I make ya (oh!)

I'll make your jeans vibrate like a Nokia

Oh, no one can ever take me there but you,

Tonight I wanna fall in love with you.

Let's do it 'till we see the sun,

Pound me like a drum, oh yea yea yea

Oh, you make me want ya, my love will drug ya

Cut like a razor, have you in danger.

I'll drive you crazy, make you my baby,

Boy, you're the one, Oh yea, yea, yea

Uh na na na,

Pick me up, let me rock with you all day.

Let me hear you say hey

Uh na na na

Turn me on, let me think about you all day.

I make ya I make ya I make I make ya I make ya (oh!)

I make ya I make ya I make I make ya I make ya (oh
oh!)

I make ya I make ya I make I make ya I make ya (oh!)

I make your jeans vibrate like a Nokia!

I make ya I make ya I make I make ya I make ya (I will
make you go!)

I make ya I make ya I make I make ya I make ya (I will
make you go!)

I make ya I make ya I make I make ya I make ya (I will
make you go!)

I make your jeans vibrate like a Nokia!

Uh, no one can do the freaky things I do,

I'm ready to go all the way with you.

Live your life and have some fun,

The night is too young, oh yea yea yea.

We're hot like Jamaica, my sex will make ya

Spend all your pesos, die young and stay low.

There's nothing better, there's no one better,

Boy, I'm the one, oh yea yea yea.

Uh na na na

Pick me up, let me rock with you all day

Let me hear you say hey

Uh na na na
Turn me out, make me think about you all day, hey
I make ya I make ya I make I make ya I make ya (oh
yeah)
I make ya I make ya I make I make ya I make ya (baby)
I make ya I make ya I make I make ya I make ya (lemme

Go hard baby, pound me like a drum
