In my beginning there was nothing so empty in the
space between
And you came in turned the lights on and created what
it's came to be
Before I pluck your wings cover me please spread your
wings cover me and

Promise this if I die before I wake oh
Promise this take a time to say your grace
On your knees you pray for me
Promise this be the last to kiss my lips

Though I'm walking through the shadows you are with
me and you comfort me
Lay me down now time for sleeping but before that
would you'on me
Before I pluck your wings cover me please spread your
wings cover me and

Promise this if I die before I wake oh
Promise this take a time to say your grace

On your knees you pray for me
Promise this be the last to kiss my lips

By a thread we're hanging on
In the hope you don't let go

If you ever leave me
No, I wanna go with you

Promise this if I die before I wake oh
Promise this take a time to say your grace
On your knees you pray for me
Promise this be the last to kiss my lips
