Alouette ette ette
plumerai (et ma rai)

In my beginning, there was nothing, so empty in the
space between
And you came in, turned the lights on and created what
it's came to be
Before I pluck your wings cover me please spread your
wings cover me, and

Promise this
If I die before I wake, oh
Promise this
Take the time to say your grace
On your knees you pray for me
Promise this
Be the last to kiss my lips

Though I'm walking, through the shadows, you are with
me, and you comfort me
Lay me down now, time for sleeping, but before that,
would you restore me
Before I pluck your wings cover me please spread your
wings cover me, and

Promise this
If I die before I wake, oh
Promise this
Take the time to say your grace
On your knees you pray for me
Promise this

Be the last to kiss my lips

By a thread we're hanging on
And I hope you don't let go
If you ever leave me
Know I wanna go with you

Promise this
If I die before I wake, oh
Promise this
Take the time to say your grace
On your knees you pray for me
Promise this
Be the last to kiss my lips
