Oooh, Oooh, Oooh, Oooh

You were the tree
and I was the apple,
And fell to the ground
and turn brown

Hate was the wind
but love was the secret
That blew us to were we are now

And now love can grow without
tiny little raindrops,
tiny little tiny
little messy, little raindrops.

Cry on my shoulder,
Cry on my shoulder,
for love, looove,
for love, looove.

We were told, we were told, we were larger than life,
We were told, we were told, we were larger than life,
for love, looove.

Floats like the sea
so distant and waving
bringing you closer to me.
Stay next to me

for love can't keep waiting
It's got no place left to be

And now love can grow without
tiny little raindrops,
tiny little tiny
little messy, little raindrops.

Cry on my shoulder,
Cry on my shoulder,
for love, looove,
for love, looove.

We were told, we were told, we were larger than life,
We were told, we were told, we were larger than life,
for love, looove.

We were told, we were told, we were larger than life,
We were told, we were told, we were larger than life,
for love, looove,
for love, looove,
Love, looove.

Love, love, looove (x4)
