You were the tree and I was the apple
And fell to the ground and fell brown
Hate was the wind
But love was the secret that blew us to were we are now
And now love can grow without tiny little raindrops tiny
little tiny little messy little raindrops
So Cry on my shoulder
Cry on my shoulder
For love
Loveee
For love
Loveee

We were tall we were tall you were larger than life
We were tall we were tall you were larger than life
For love
Lovee
Floats like the sea
So distant and waving
Bring you closer to me
Stay next to me
For love can't keep waiting
It's got no place left to be

And now love can grow without tiny little raindrops
Tiny little tiny little messy little raindrops
So Cry on my shoulder
Cry on my shoulder
For love
Loveee
For love
Loveee

We were tall we were tall you were larger than life
We were tall we were tall you were larger than life
For love
Loveee
We were tall we were tall you were larger than life
We were tall we were tall you were larger than life
For love
Loveee
For love

Lovee
