Cos I came here to dance
I'm gonna put up my hands
And stand up, stand up
Cos I came here to dance
I'm gonna put up my hands
And stand up, stand up
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets a hold of you
Get up, get up, get up, get up, get up

I can see the lights callingg me out
I can see the searchlight spinning around
I can feel the moment where i belong
I can feel the music turning me on
oh oh oh oh oh oh oh (on)
oh oh oh oh oh oh (turning me on)

Cos I came here to dance
I'm gonna put up my hands
And stand up, stand up
Cos I came here to dance
I'm gonna put up my hands
And stand up, stand up
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets a hold of you
Get up, get up, get up, get up, get up

I've got this emotion covering me
While moving in the fast lane taking the lead
There's no where to hid a feeling this strong
I can feel the music turning me on

oh oh oh oh oh oh oh oh (on)
oh oh oh oh oh oh (turning me on)

Cos I came here to dance
I'm gonna put up my hands
And stand up, stand up
Cos I came here to dance
I'm gonna put up my hands
And stand up, stand up
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets a hold of you
Get up, get up, get up, get up, get up

Ok Cheryl Let's dance cos I just copped my advanced
So i can slide on my Louboutlins
And I'm going to put on my brand new Vans
And take it to the club
I don't give a what, and you don't give a what
We goin' while out like we just got paid
Looking so fresh in our rockstarr shades

Cos I came here to dance
I'm gonna put up my hands
And stand up, stand up
Cos I came here to dance
I'm gonna put up my hands
And stand up, stand up
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets a hold of you
Get up, get up
When the music gets a hold of you
Get up, get up, get up, get up, get up
