I met a guy at the club,
I let him know I'm love,

I met a girl at the bar,
I let her know who you are.

I told her you are the love of my life and,
one day your gonna be my wife.
We are gonna have some babies together.

I told him you are the man of my dreams,
you saved me from drowning in the streams
and i know were gonna last forever. (and ever)

It was those 3 words that saved my life.
Its wasnt complicated, wasn't pre-meditated.
It wasn't under-rated, boy i'm so glad you stayed and..

it was those 3 words that saved my life.
It wasnt complicated, wasn't pre-meditated.
to you I'm dedicated.
lets go ahead and say it...

I love you...
i love you...
i love you...
you are the love of my life. (my life - my life)

i love you...
i love you...
i love you...
you are the love of my life. (my life)

You know your holin' my heart,

can't nothing tear us apart?

You know i'm so in love with you,
can't nothing tear us apart? No.

I said I-L-O-V-E-Y-O-U, I'm so into you girl,

She said M-E-T-O-O,
its obvious i'm so into you boy,
so why don't we, (we)
hold (hold) on (on) for (to) love (love).
Through the ups and downs,
Never let go.
Holdin' on forever never let go.
It all started with...

3 words that saved my life.
It wasnt complicated, It wasnt complicated, It wasnt
complicated, It wasnt complicated

baby its those 3 words that saved my life...

i love you...
i love you...
i love you...
you are the love of my life. (my life)

i love you...
i love you...
i love you...
you are the love of my life. (my life)
