If you're trying to hurt me, like I hurt you
Then you win
And if you're trying to love me, like I love you
Then we win
And if you're trying to finish what we started, then we'll
lose the love
And I don't wanna lose ya

Are you trying to make me cry x 7
Stop trying cause am dying

I believe in us, and I really do
I can barely take it, can't get over you
If you're trying to lose me then you're going the right
way boy
I can't take this shit much more and staring at the door
Start to love me like I love you, treat me good
I give you a lot I love you a lot tell me why I should
If you're trying to hurt me like I hurt you then you win
I can't turn back the clock, take what I got
Give me everything

If you're trying to hurt me, like I hurt you
Then you win
And if you're trying to love me, like I love you
Then we win
And if you're trying to finish what we started, then we'll
lose the love
And I don't wanna lose ya

Are you trying to make me cry x 7

Stop trying cause am dying

Its gotta stop we argue a lot no matter what we do
Be careful what you're saying because am trying to
stay with you
So let's make a future plan, cause this aint the way of
living boy
I know that I hurt you bad, boy I know that I hurt you bad
Baby it's time to face it, to know that you want this too
And if you want to save this, then we both know what

you can do
Aint no point in looking back, and I know that I love you
mad
So quite how you act don't turn your back
Think about what we have

If you're trying to hurt me, like I hut you
Then you win
And if you're trying to love me, like I love you
Then we win
And if you're trying to finish what we started, then we'll
lose the love
And I don't wanna lose ya

Are you trying to make me cry x 7
Stop trying cause am dying

Are you trying to make me cry x 7
Stop trying cause am dying
