CHERYL COLE:

[Verse #1]

If you love me like that, boy, I'll love you right back
We ain't similar, they say opposites attract
Every time I hold you, can't be any closer
Told my ex, "Onto the next" - it's official we're over

[Pre-Chorus]

Cos every night I dream of you being by my side
And I can take a lifetime of loving you
Right now that's what I've been meaning too

TRAVIE McCOY:

So let's not complicate it
Just say yeah

CHERYL COLE:

[Chorus #1]

Yeah, yeah, yeah
We could do this forever
That's if you wanted to, could you
Yeah, yeah, yeah
We should do this forever
So it's just me and you

[Chorus #2]

And you waited all this time
And I'm not letting you pass me by
Cos you're the miracle in my life
The sun that shines on a cloudy night
So if you want it, you want it, say

TRAVIE McCOY:

Hahaha!
It's Travie

[Rap Solo]

I don't wanna make no promises, I just wanna show
what it is (Uh-huh)
Take advantage when somebody's down for you like
this (Like this)
And if you don't understand, come and take me by the

hand

If you can't forget the past then just remember what we
had cos

CHERYL COLE:

And I can take a lifetime of loving you
Right now that's what I've been meaning to

TRAVIE McCOY:

[Bridge]

You're forever mine
My light in the dark
You're my calling card
My name's on your heart
