Where are you tonight
Baby nobody knows
I'm scared that I'm losin' you
You're runnin' away
You're out of control
But I won't surrender

I'm going crazy
I feel like a fool
But there's no way out
I just gotta be with you

Come into my life
Can't you understand
We belong together
Come into my world
Get closer again
I need you love forever

I'm walkin' alone
But you're hautin' my mind
I'm hearin' you call my name
And I'm turnin' around
Like a man who's insane
I'm talkin' to myself girl

I know I'm losin' it
I know I'm through
But there's no way out
I just gotta be with you

Come into my life
Can't you understand
We belong together
Come into my world
Get closer again
I need you love forever

I'm goin' crazy
I feel like a fool
But there's no way out
I just gotta be with you

Come into my life
Can't you understand
We belong together
Come into my world
Get closer again
I need you love forever
