NOVEMBER 27 Its a sad day
a tragic accident occurred where we lost A
Good friend named Raul DJ Rowdy A
born in august 24 1990
creator of the Hudson Gotham city Fridays
lots of memories left behind
r.i.p stands for rowdy in paradise
thumbs up pinkies down is what he'd always say
screaming out loud its Friday
not only did he DJ but was a son too
prayers go to his family I'm here for you
ull be missed from the bottom of our hearts
this ain't the end its just the start of a new chapter
in our lives we lost a good friend but we don't all
survive its part of this life cycle that were all in were
born as champions and that's how we all win

dying 4 years and he loved it living life to the fullest
enjoying every moment of it
no regrets in life just the great memories we build
that's why everyday live it rightfully thrilled
because its crazy how we leave in the blink of an eye
things happen to quick I'm feeling terrorized light a
candle for my man DJ rowdy a hes looking down upon
us from a safer better place id also like to say r.i.p Alex
v a great photographer and friend most would agree
rowdy motivated those close friends around him
Gotham city family wont be the same without him more
than just a DJ a great individual telling us to continue
our dreams and finish school i send my prayers to the
homies up above even though your gone, you'll
always be loved.

-Rest In Peace Rowdy A
