Chorus:

Keep it close to your heart
Don't ever let it go
They'll always be part of you life
Those secrets we have inside

Verse1:

I know a girl
I don't know how she feels
But in her life she,
Knows and wants to be
Maybe her life ain't
Ain't gettin' by
Body she an awakin' girl
And that's the second pass
She does whatever
Whenever
However
Just to pay her bills
Feed the kids
Pay the rent
When the money comes
It's already spent
Eventhough she feels
She can't go on
Whoa oh ooh

(chorus)

Verse2:

I know a boy a ,
A young and tender age
Everybody sees his face
But can't really
Feel his pain
He plays a roll of
Of really playin' hard
I get so emotional
When i think about his life and start
He can barley hold own
And that's how it seems sometimes

But when he's all alone
He struggles for his life
Life of a homeless(chours)

Verse3:

It goes through apart of us
We don't want no one else to know
That's the reason why
We keep those secrets inside
It goes to our heart
Hold on to it
'cause nobody has to know
(nobody has to know)
They belong to you
Oohhh yea

(chorus-repeats to the end)
