I'd like
To run away
From you
But if I were
To leave you
I would die
I'd like
To break the chains
You put around me
And yet
I'll never try

No matter
What you do
You drive me crazy
I'd rather be alone
But then I know
My life
Would be so empty
As soon
As you were gone

Impossible
To live with you
But I
Could never live
Without you
For whatever you do
For whatever you do
I never, never, never
Want to be in love
With anyone but you

You make me sad
You make me strong
You make me mad
You make me long
For you
You make me long
For you

You make me live

You make me die
You make me laugh
You make me cry
For you
You make me cry
For you

I hate you
Then I love you
Then I love you
Then I hate you
Then I love you more
For whatever you do
I never, never, never
Want to be in love
With anyone but you

You treat me wrong
You treat me right
You let me be
You make me fight
With you
I could never live
Without you

You make me high
You bring me down
You set me free
You hold me
Bound to you

I hate you
Then I love you
Then I love you
Then I hate you
Then I love you more
I love you more
For whatever you do
For whatever you do
I never, never, never
Want to be in love
With anyone but you

I never, never, never
I never, never, never
I never, never, never
Want to be in love
With anyone but you
But you
