Album: Live And Otherwise

Well, it's a wonderful feelin'
I got a marvelous idea
Why don't the two of us
Take ourselves away from here.

'Cause you got the bluest eyes since faces
You got the sweetest smile I know
And you take my heart to places
I wouldn't ordinarily go.

Chorus:

Oh, I try to keep from starin'
To keep you unaware n'
Keep me on my feet
I try to be so discreet
But I can only turn my eyes to you.

Now don't you run away
There's no need to
I couldn't come away with more
If I don't want to say I love you
It's 'cause I couldn't say I don't for sure.

Chorus:

Oh, I try to keep from starin'
To keep you unaware n'
Keep me on my feet
I try to be so discreet
But I can only turn my eyes to you.

So if you ever think you need me
Need me for anything at all
Don't even stop and think about it
Baby, you just give me a call.

You know the number
Baby, you just give me a call...
